

Instructions: How to access the Virtual Portal for Girls Go CyberStart

BEFORE you start, make sure you have whitelisted netlab@netdevgroup.com so that you can receive verification emails.

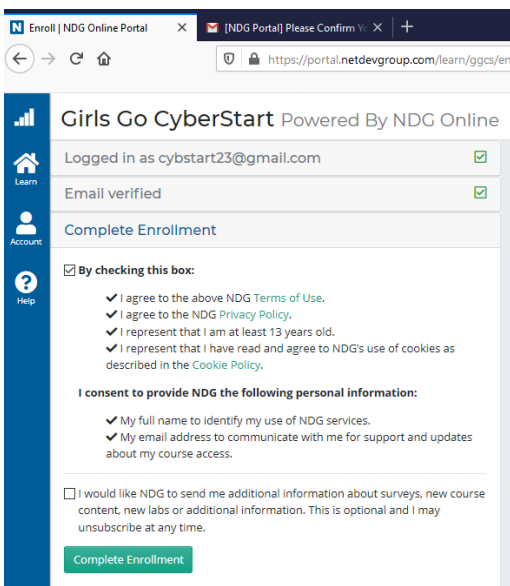

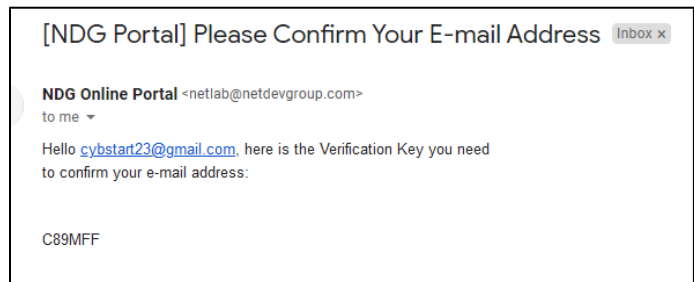

1. In a Chrome or Firefox browser go to <https://ndg.tech/ggcs> - click **LAUNCH**

2. Fill in the Account Management information and click **REGISTER**

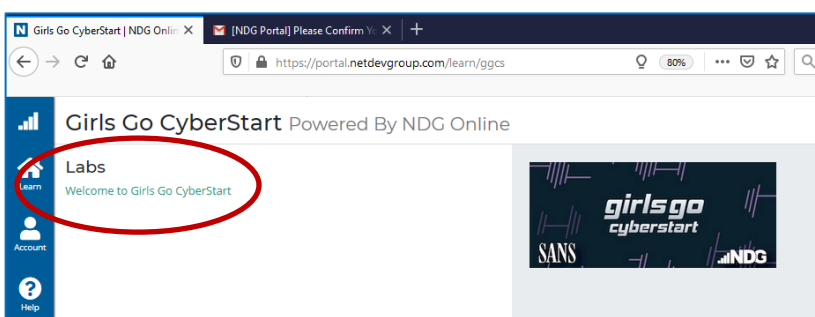

3. Go to your email inbox, copy the verification key and paste in the email verification form and click **Verify**

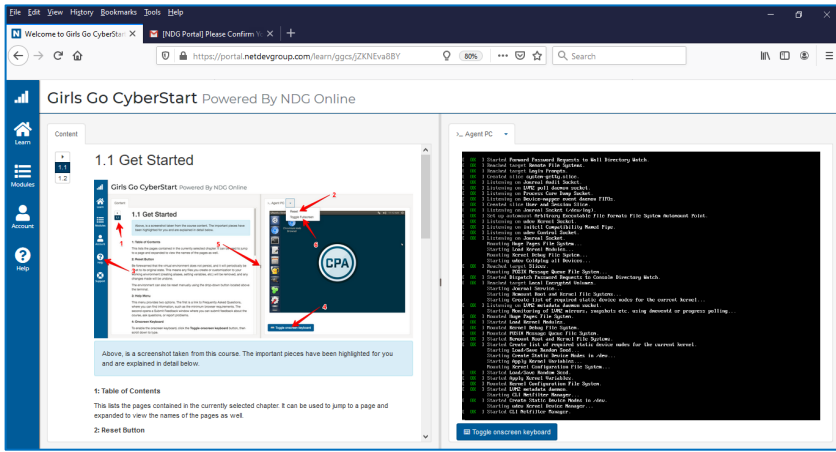

4. That brings you to the last registration page – click to select the box next to “**By Checking this box**” – then click **Complete Registration**

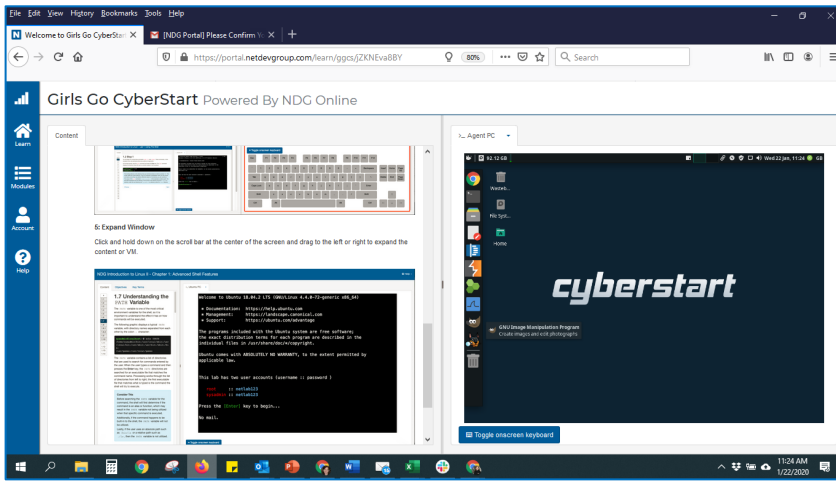

5. That brings you to the Girls Go CyberStart Labs page – click on **Welcome to Girls Go CyberStart**

6. On the left are instructions – make sure you read them before jumping in so that you can use all the advantages of the Virtual Portal! On the right you will see the VM booting up

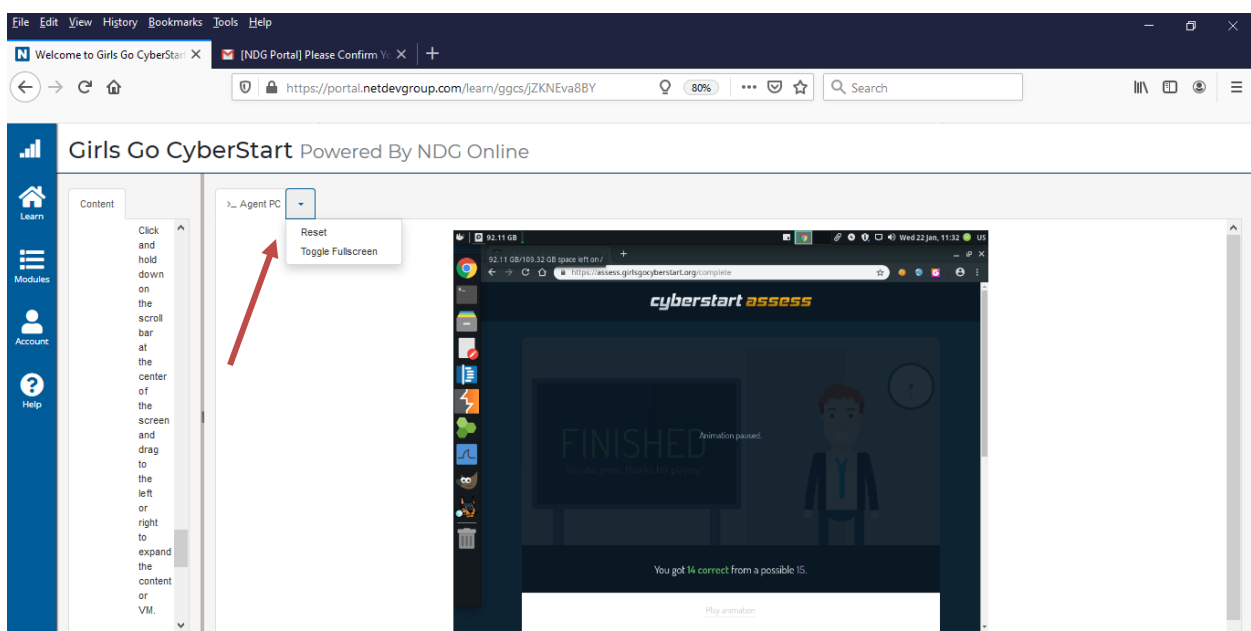

Then the actual Virtual Machine will be in your right-hand pane.

Now you can start using the VM to play in GGCS! Click on the Chrome browser icon and either type in the URL (<https://assess.girlsgocyberstart.org>) or click on the **CyberStart Assess** shortcut on the desktop.

There are 2 methods to resize the screen:

- Drag the scrollbar next to the instructions all the way to the left. You can also increase the Zoom factor on your browser.
- Use the Toggle Full Screen option - to open it, use the drop down arrow next to AgentPC

- To exit Full Screen mode, move your mouse up to the top of the screen to get the Exit drop down.

HAVE FUN USING THE VIRTUAL PORTAL!!
